すべては義理か!?

You fought for control this whole time, with the thought of using our guys for revenge against the Horie-gumi???

Are you for fucking real???

A- are you serious??

.....

.....

.....

The time's come.

Just one more year

Who the fuck would go along with that...

.....

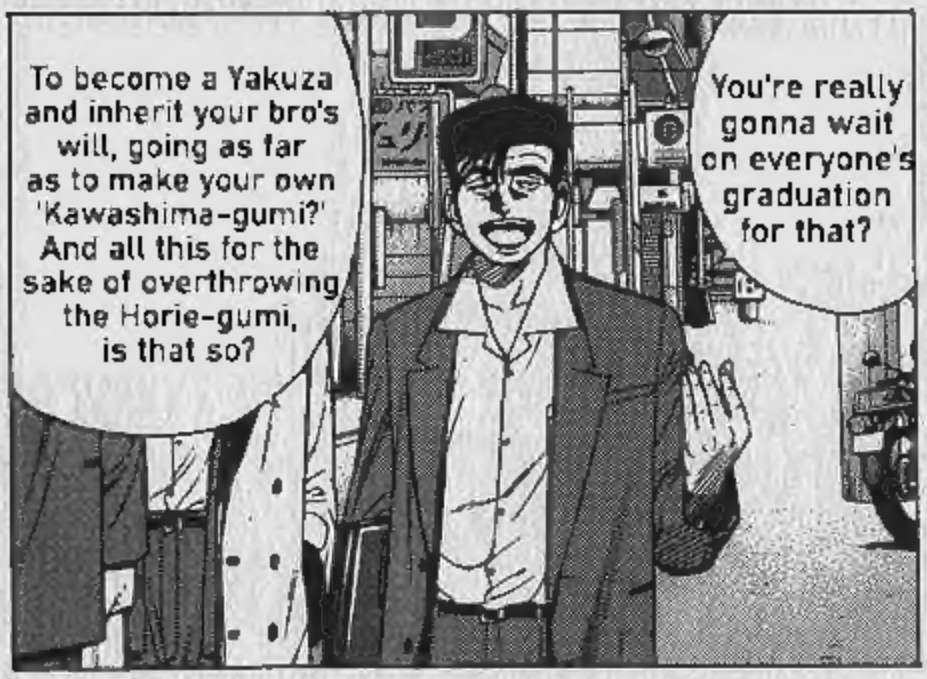
That's beca-use...

I started at the top.

We're not Delinquents...

From the beginning, I had a lot of faithful guys underneath of me.

Aniki...



Kukuku is condescending laughter *142*

Kukuku, what are you talking about, we're just seeing this kid's dreams.
This Kawashima-gumi, huh.
And done without a hitch,

!

Kakaka, just give it up!
Who would ever follow such a childish plan?
.....

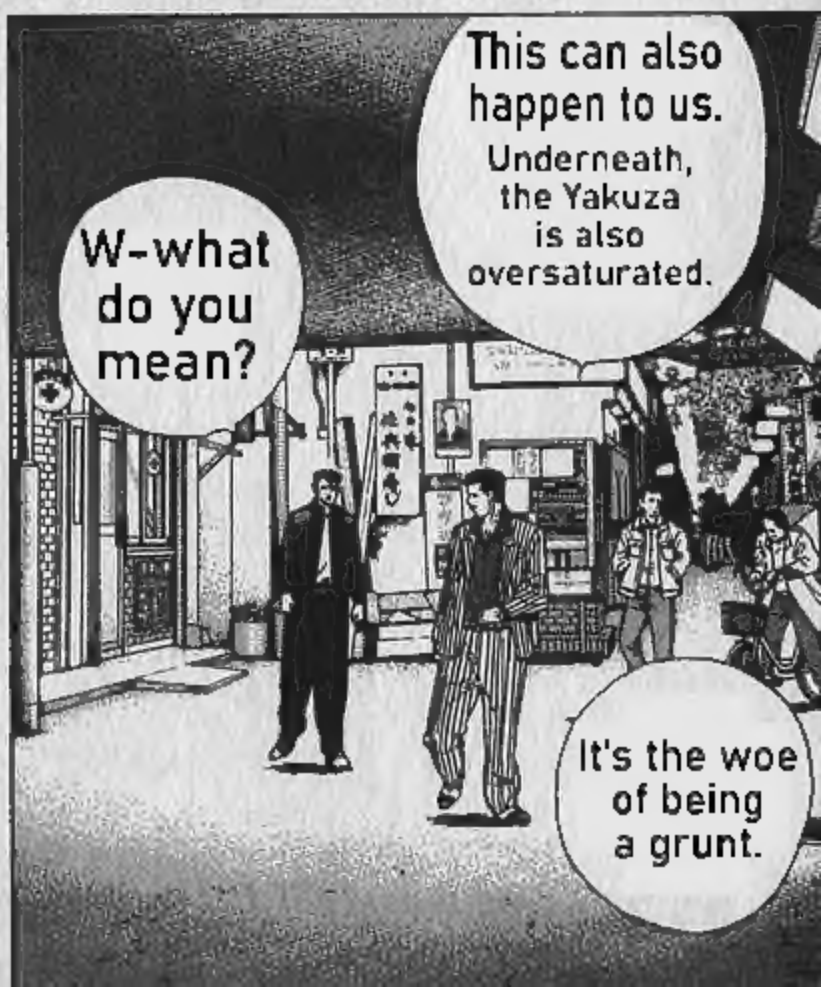
Kawashima clan!
A kid pretending to be a Yakuza!
Ahahaha!!

Wahaha!
Ahahaha!

Laid off?

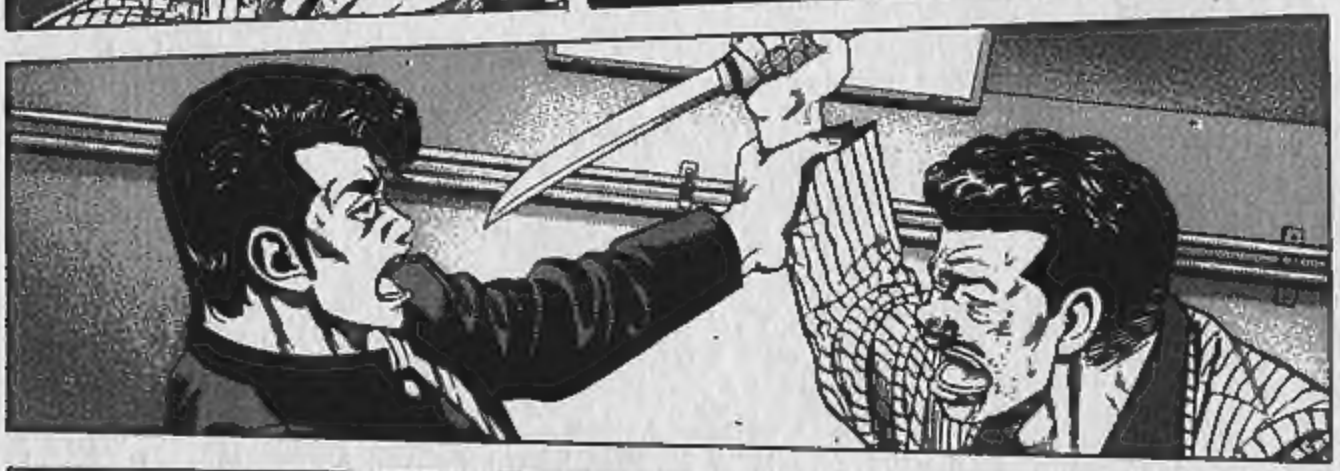
In our world, trust means nothing. Duty is everything.
Your bro ended as he did in the end because of fate, and don't you think otherwise.



W-what do you mean?
This can also happen to us.
Underneath, the Yakuza is also oversaturated.
It's the woe of being a grunt.

.....
Ahaha!

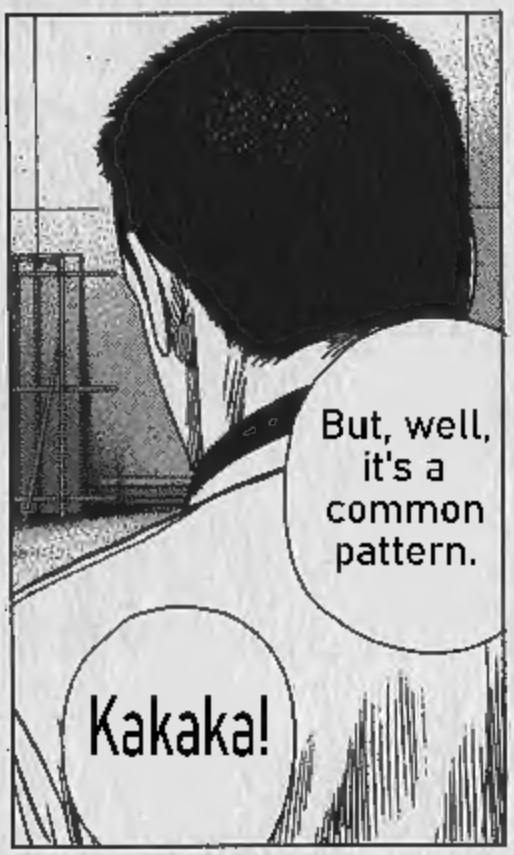
Because Reiichi was an idiot,
I thought, sooner or later, this guy is gonna get sent after Sakazuki.



Aniki!

Ahahaha!

You're just being flattered.
In the first place, the thought that your men will continue following you, because they have up until now, is brazen. Where did this gushing confidence come from?



But, well, it's a common pattern.
Kakaka!

.....

Ah, no I get it-
The other guys 'have your back,' but in reality, they're just using you.

!?
Kawa-shima...

You...
What the hell happened?
Goro's men got me...

lida!

.....
That coated dude...

ジャッ

f Onizuka did it, it's with our support.

Onizuka, you can stay right there. Since you suffered at the hands of Kasai your rib hasn't healed yet, right?

It's time!

……!

He's your enemy.
I don't give a damn what you did to this faggot.

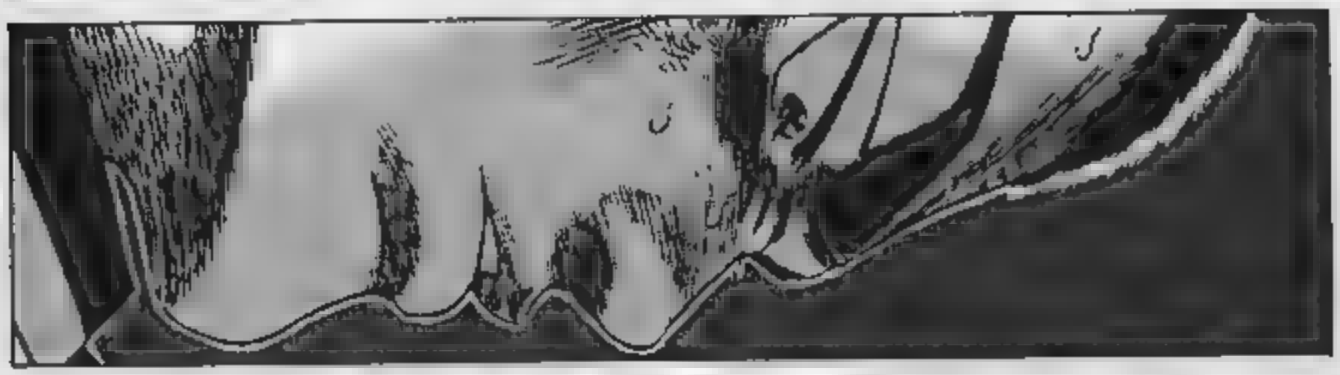
But, because you're a guy who wants my trust, even if you said I couldn't, I still would kick his ass

I said I wanted to ascend to the top, but when did I ever want to trust my guys?
Wants trust? Wants trust, is it?

……

In our world, wanting trust is useless Duty is everything
n the end, you should realize your bro ended up as he did because of fate

Just what the hell did I come to do?
Bro trusted his clan and died..



Like usual...
The coated dude please

Kawa shima!

Kakaka! From this ass
It came out! 'Please attack them .'

As it is, no matter what you fucking say, you're just getting used!

Ah?

"Pretty please!"

Kakaka!

What?!

Oi, faggot! If you're going to rely and lead this guy on, I'd say you better stop

He's thinking about doing something insane!

He's built your group up to...

'll tell you.

Kya!!

Gah!

T/N: Kya! is a cute scream from a female (Kazumi and Chiaki)

You're *all* set for slaughter!
